

Emily "Emma" Lysyk

Description

Dream-weaver looking for job of my dreams making cool stuff with professional gurus and ninjas. Must need In-Designer with a great attention to detail who's not afraid to dive elbow-deep into the Photo-Shop. Nothing artificial about this unit's .AI. No need to Brush up on my skill set - though I'm always up for Lassoing a new trick or three - I'm familiar with the full Menu of Tools, and regularly Filter through the latest Versions and Tutorials to ensure my files are at imPress Quality. Not just an everyday Flash in the pan. Together we can make Fireworks.

Experience

Em²a Studios

Owner/Graphic Artist, Mesa, AZ, Mar 2006 – current

- Designed and created hundreds of thousands laser engraved and/or cut pieces in acrylic and various other materials;
- Completed over a dozen illustration commissions for use on the web and in print;
- Created, re-created, and redesigned logos, websites, and flyers;
- Designed and created/sourced promotional products for companies of various industries;
- Taken and produced product photographs for use in catalogs and web;
- Consulted on a dozen successful Kickstarters, and produced backer rewards for these in a timely fashion

21st Century Healthcare, LLC

Lead Label Production Design Jedi, Tempe, AZ, Mar 2016 – Jul 2020

- Design and create packaging, labels, marketing materials, presentations, and tradeshow showcases for both human and pet products;
- Trained the department in 21 CFR 101 and 111 regulations for labels, and created near-foolproof templates for ease of creation and editing - reducing production time by 70%;
- Implemented a system to better accurately display current FDA 2020 regulations compliant Supplement Facts Panels across our brand and private labels;
- Manage the current web databases and translate the data and images for the web developer - including rebuilding the databases for the brand new website

Notable Related Information

Miscellaneous Work

IMDb Credit

Art Department for "Off the Floor, Into the Mirror", 2021

Non-Profit Work

Branum-Erickson Foundation

Marketing Director, Gilbert, AZ, Aug 2015 – May 2017

- We are a 501(c)3 charity that takes donations and finds homes for them. We network with other organizations locally, nationally and internationally to rehome donations of equipment and supplies for no cost.
- We also educate with an aim to empowering caregivers and family members to be able to better navigate the difficult world of the disabled and vulnerable. We are ongoing in our projects to provide help to those who need information or resources.
- We provide Crisis Assistance when possible in the event of natural and other disasters by putting the donation money on the front lines and empowering emergency staff in any way we can.

NATN-SEEDs/Cup O'Karma

Volunteer Graphic Designer, Mesa, AZ, Aug 2009 – Aug 2014
